

# Les Films Francais

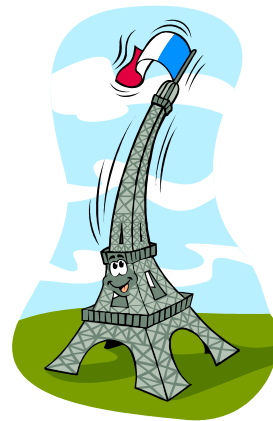

*The Davis School District is offering a one-credit course on French cinema. French teachers will view, discuss and learn about five French films. These films, covering a broad spectrum of French history and culture, will enrich the teachers' understanding of modern France.*

*In addition to viewing and discussing the films, teachers will select one film for which they will create a lesson plan for classroom use.*

*Contact Bonnie Flint for more information. (801) 402-5608 or [bflint@dsdmail.net](mailto:bflint@dsdmail.net)*
